Report of Principal and School Improvement Council

Sedgefield Intermediate School provides a culturally sensitive and diverse learning environment for approximately 780 third, fourth and fifth grade students in Goose Creek, SC. We foster a safe, orderly and healthy school where every student is challenged and empowered to be successful in our highly competitive world. Teachers and staff are committed to providing authentic learning experiences to our students through increased rigor and relevance, as well as integrated technology experiences. They work in professional learning communities to monitor and enhance student learning and benefit from regular staff development provided by our curriculum coach, Title 1 facilitator, administrators, and district personnel. Parenting programs, accompanied with student performances, have been held throughout the year and included information about math fluency, poetry, and reading fluency.

Technology is integrated throughout instruction to enhance student learning and to provide real-world applications. We utilize SMART interactive white boards, document cameras, student computer work stations, and student response systems to create an engaging classroom experience. Students also have the opportunity to extend their learning through participation with the school robotics team.

Partnering with the Roscoe Reading Program, we encourage and motivate our students to become avid readers. We expanded the program this year and look to continue generating excitement about reading. We utilize Positive Behavior Interventions and Supports as our framework for creating a positive school climate and as a way to support our character education program. In addition to instruction on specific character traits, each class recognizes a Student of the Month who best exemplified that trait.

In an effort to provide students with additional support, we have partnered with Communities in Schools (CIS) of Charleston. CIS is a nationally recognized program that surrounds students with a community of support by empowering them to stay in school and achieve in life. CIS uses a comprehensive, evidenced-based approach to bring community services to our students and their families.

Sedgefield Intermediate is working towards a community-oriented learning environment, which integrates student and community needs to develop responsible citizens and life-long learners. We are excited as we look to the future.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	78.3
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Sedgefield Intermediate School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
